Subject: 2012 Budget Customer Relations Presentation MW 3.pptx - slide 4 modified using marketing template
Attachments: 2012 Budget Customer Relations Presentation MW 3.pptx

Andy,

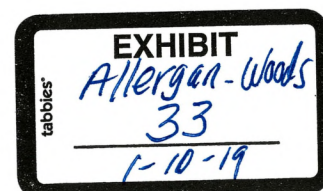

I tried to duplicate the slide you sent to show the different elements of functions, and no overlap of responsibility, this may be too detailed, if so, I can consolidate just let me know. The only change is slide 4 has been added.

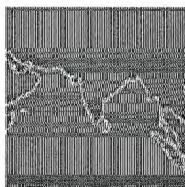

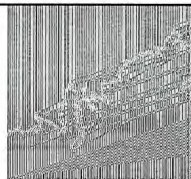

Best Regards,

Mary J. Woods
Executive Director, Customer Relations Operations
Watson Pharma Inc., Corona, CA 92887 Direct: 951-493-5951 Cell:951-316-616 mary.woods@watson.com

2011 Key Accomplishments

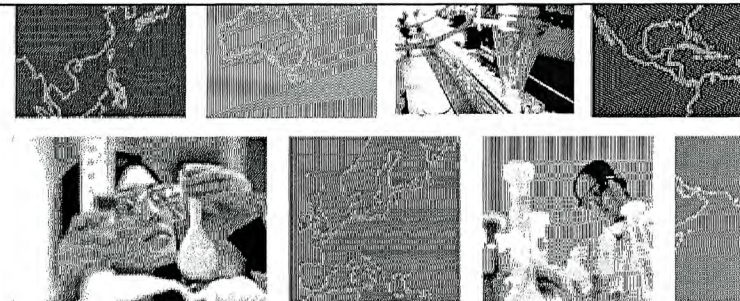

Key Accomplishments

- **Canada SAP Order Fulfillment /Customer Master Implementation**
 - Identified SAP transactions, and OPDs as requirements to support the Canada business
 - Developed all Order Processing, Customer Master, and Navigation Training Materials
 - Conducted on site and web assisted training for Canada Sales Operations/Finance
 - In processing of completing balance of components for successful Go-Live
- **Pedigree/Serialization**
 - Completed PRA assessment via IT to initiate Watson Serialization Project team to develop strategy, timeline and budget to meet 2015 CA enactment.
 - Assisted India Team with Serialization efforts to meet India Ministry of Health July 2011 requirements.
- **Reverse Distribution Contract**
 - Completed initial vendor qualification questionnaire to determine participation in RFP process
 - Developed RFP and timeline with procurement team
 - RFP currently in process
- **Salesforce .com – CRM Solution**
 - Identified end user requirements to replace existing CRM Seibel application
 - Developed all end user training materials
 - Conducted all testing and validation of system and data
 - Completed implementation on time, and in budget

Watson Pharmaceuticals 

2012 Objectives

Improve Operations

- **Global Bar Code /Case Label Standardization**
 - Complete Phase II Project 3rd Party Mfg Compliance
 - Execute plan to correct all internal Watson non-compliant case label

Improve Operations

- **ERP Planning**
 - ERP Initial Assessment: Support launch activities required for Order to Cash phase of project.
 - Determine resource requirements, planning, and other requirements as determined.

Improve Operations

- **Pedigree/Serialization**
 - Continue to support India team to complete Ministry of Health Serialization enactment dates for 2012. (January 2012, July 212)
 - Ensure Watson US project team is developed and completes goals and agenda for 2012

Meeting Customer Needs

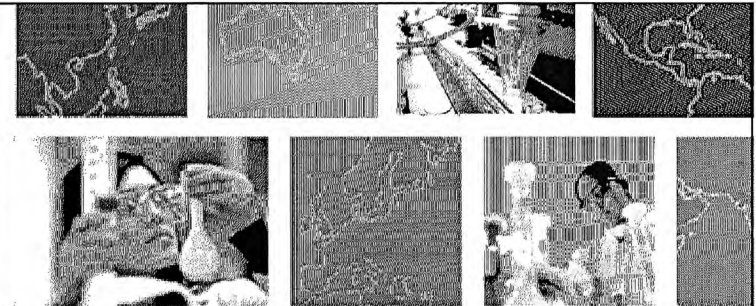

- **RFP – Reverse Distribution**
 - Seamless transition of reverse distribution service provider
 - Complete review/revisions to Watson Return Goods Policy

Improve Operations

- **System Enhancements**
 - Partner with Contract Operations to develop streamline process for CARS membership, addition, deletion, changes process.
 - Partner with DEA Affairs to develop enhancements to current SOMS systems.

Watson Pharmaceuticals 

2012 Budget Key Assumptions

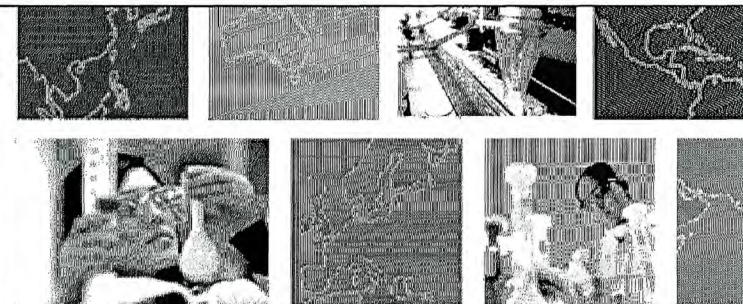

➤ Customer Relations: 507200

- Headcount and expenses remain flat to 2011
- Headcount accounts for 78% budget spend
- Depreciation, License/Fees, Facility Allocation account for 18% of budget spend
- No Pedigree planned expansion needs for 2012
- On going assistance of all “Product Support Programs”:
 - PapSure, Oxytrol, Trelstar, Rapaflo, Androderm, Prochieve, Gelnique Pump, ella, Generess (B) *added in 2011/2012
 - New Beginnings (G)
 - Next Choice (G)
- Increased support program assistance for Gelnique, Crinone (B)
- New program support for Generess, Androderm, Gelnique Pump (B)

Watson Pharmaceuticals 

Operating Expense Summary

Customer Relations
